

## Promotion

Every exhibitor is willing to get as many useful acquaintances at an event as possible. But what if the event outcome is far from desired, and the perspectives are uncertain?

If that is the case, the exhibitor completes a form, stipulating his/her proposals concerning promotion of his/her services on the target market, and submits it to the OKAY Expo platform.

Our managers shall contact the applicant within 10 working days to discuss the matters of interest, and send a respective cooperation offer.
